In the spring...
A month before Shiori visited Azakawa village.
Could you be Suga-kun the museum custodian?
...
Ah, excuse me.
Woah
I had heard that there was a minor living alone here, but still...
It seems like it was true.

Starting this spring, this district is under my jurisdiction.
I'm Mochizuki Yousuke. I just transferred to the local police department

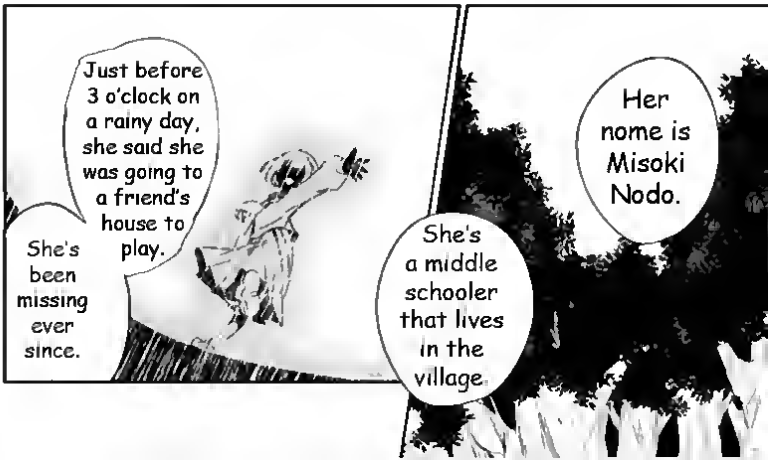
Sorry
Officer, we don't have time to chat in this situation

We would like your help to find this girl.



Her name is Misoki Nodo.
She's a middle schooler that lives in the village.
Just before 3 o'clock on a rainy day, she said she was going to a friend's house to play.
She's been missing ever since.

I already checked with the villagers, who said a figure was seen entering this forest
That's why this place's custodian, Suga-Kun, is here.
I'd like to ask you to search together with us... It seems like you know this forest very well.

You just arrived here recently, eh.
That's stone is called a "Night Glowstone". It's a protective charm passed down in the village.
What's the matter, Suga-Kun?
Hey, what's that pendant?
Ah
It was a tradition handed down in this village from long ago.
In the village's forest there was a scary ghost called the "Kotori-Obake".
The village's children were lured one by one into the forest and killed. The Night Glowstone was supposed to protect you from the ghost.
Well, even now some of the elderly still believe that.

...?

There's something down there!!

Shiori, settle down!
Everything that happened before this day...
Everything abaut the Kotari-Obake. Abaut this village, and the pramise...

Forget all of it, and live on.
And all about you.
If we wish for Shiori's happiness
All we can do is this...

I don't want to...

Suga... kun...
Ah...

Wh...
Who...?

That child lost her memories
It's all your fault
If that promise hadn't been made.
It's all your fault
That she lost her home
It's all your fault
If you hadn't gone into the forest.
It's all your fault

It'd be better
If you disappeared!!

フリーゲームについて

元々ゲームが好きな方なので、フリーゲームもとても好きなジャンルです。

恐らく初めてプレイしたフリーゲームは、コンテストパークで受賞された作品だったと記憶しています。確か、パソコンに詳しかった友人に教えてもらいながらプレイしました。

当時、家にパソコンはあったものの、まったく触れていませんでしたので、思えばそれがパソコンを触る初めてのきっかけでした。

また、RPGツクールのパソコンソフトがあるというのを知ったのも、それがきっかけです（「雷雨が降る森」のゲームはRPGツクールで作成されています）。

実は、スーパーファミコンで『RPGツクール』というゲームがあることは知っており、初めてゲームの制作に触れたのはそちらの方でした。でも当時はまだまだ子どもでしたから、作り方などチンプンカンプンで、まったくゲームになりませんでした。
（ちなみにスーパーファミコンで作ろうとしたのは推理ものRPG？で、「開始30秒くらいで犯人が解る」と友人に言われました。）

それから自分がパソコンでゲームを作り出すのは、本当に幾年も過ぎてからのことです。
